Leveraging Simple Requests Into Meaningful Partnerships: breaking the faculty barrier

Jean Cook
University of West Georgia
Can you speak at orientation?
Can you make a tutorial for our students?
Can you scaffold your activities in?

W1
- Readings on nursing from databases chosen by me
- Writing exercise based on reading

W2
- Nursing concept powerpoint
- Do search in databases (me)
- Writing exercise on search practice
Can you have them do searches for this topic?

Post a copy of your search strategy documentation Due 9/13
